Pleasanton Rural High School  
Pleasanton, Kansas

Dear Students:

Each passing school year brings you closer to the time when you must make a decision--a very important decision.

Every opportunity offered to you in school prepares you to make a better decision when that time comes. Most of you have taken advantage of these opportunities and have had a profitable school year and a happy one.

I wish to congratulate the Seniors who will graduate this spring. I hope each of you will have the opportunity of continuing your education at some college or university.

Congratulations, too, to the underclassmen; you are one step nearer to graduation.

I especially want to congratulate and thank the Annual Staff for recording the events of the year in this outstanding issue of the HILLTOP.

Very sincerely yours,

J. B. Forsyth, Superintendent

## Hilltop PARADE

At last we have arrived at the end of another school year. For some students it marks the end of their formal schooling, while for others it is only the beginning of their advanced education. We have been so occupied with sports, drama, music, and exams that we have scarcely noticed the swift passing of time.

In this edition of the HILLTOP, we have endeavored to give recognition to every activity throughout the year in order to include the phase of high school that each student particularly enjoyed. We hope this record will serve as a treasure chest of your lasting memories at P. R. H. S.

We would like to give special recognition to our sponsor and the other members of the Hilltop Staff, without whose efficient help and co-operation we would never have reached the completion date as scheduled. Thank you for a job well done.

Sincerely yours

2. The second part of the paper is devoted to the study of the asymptotic behavior of the solutions of the system (1) as  $\epsilon \rightarrow 0$ . It is shown that the solutions of the system (1) converge to the solutions of the system (2) in the sense of the weak convergence in the space  $L^2(\Omega; \mathbb{R}^n)$ .

1. The first part of the paper is devoted to a review of the literature on the topic of the role of the state in the development of the economy. It is found that the state has played a significant role in the development of the economy in many countries, particularly in the case of developing countries. The state has been able to mobilize resources, provide infrastructure, and create a favorable environment for investment and growth.

# CLASS HISTORY

Now as we, "The Seniors of 59", are ready for another large step in the future, we look back upon the past four years spent at Pleasanton Rural High School. We look back to one of our most successful years at PRHS, the Freshman year.

A group of thirty-eight Freshmen began their long struggle for their high school diploma in September '55. We received excellent guidance and encouragement from our sponsors Mr. Stegge and Mr. Washler. The class chose as their officers the following students: President, Kay Carpenter, Vice-President, Kim Barrier, Secretary, Phyllis Wheelock, and Treasurer, Mary Jo Hoover.

The highlights of this year were the Carnival, Queen and King contests. Virginia Stiffler and Kim Barrier were crowned King and Queen. Mary Jo Hoover and George Parker were defeated for the Hilltop Royalty. We were also successful in winning the magazine contest.

Our Sophomore year began with Mr. Stegge and Miss Miller as our sponsors. We elected Mary Jo Hoover, President, Joyce Carpenter, Vice-President, Donna Robinson, Secretary and Leonard Smith, Treasurer.

We chose for our Carnival, Queen and King candidates Kay Carpenter and Donnie Ward. Again we won a victory over a hard battle. We lost the Hilltop King and Queen contest with Joyce Sear and Jerry Coburn our candidates.

Kim Barrier was elected President our Junior year. Other officers elected were, Vice-President, Phyllis Wheelock, Secretary, Leroy Daniels, and Treasurer, George Parker. Miss Yencic and Mr. Stegge were our sponsors. We chose as our Carnival King and Queen candidates Leonard Smith and Dettie Lou McChesney. Phyllis Wheelock and Leroy Daniels were our Hilltop candidates. Both times we were defeated. The Junior Play, "Desperate Ambrose", under the direction of Mrs. Marrs, was a great success. On May 7, we honored the Seniors with the Junior-Senior Banquet. The theme was "Outer Space."

Now, we are realizing our high school dreams. We are the Seniors of '60. We were very happy to have Mr. Stegge back with us again this year. He has been one of our very capable sponsors every year. Our other sponsor is Mr. Blackman. Officers elected this year were: President, Jerry Coburn, Vice-President, Mary Jo Hoover, Secretary, George Parker, and Treasurer, Donna Robinson. At the time of this writing, many events have not yet taken place. But we, the Seniors, are looking forward to Baccalaureate and Commencement, the climax and ending of our high school days. So remember Seniors, our future is only what we make it. Let's be satisfied with only the best.

# PROPHECY

It is now the year 1875, and the

The group met at the ship dock at 11:00 a.m. with a large number of reporters. It was here where all twelve of her "Glamour Boys--Buddies" were present. I know who they are. They are: Larry George and his Glamour Boys--Bill, Peter and Larry, the three who were with her from the beginning. Larry George, the pilot of the American Airlines plane that took her to London, was also present. The Airline Hostess was Bonnie Morrison. The entertainment for the event was provided by the team. They have originated a new dance called the "Hoop Hoop Hoop". The chorus of the song is "Dear Old Pleasanton". Hollywood actress, the "Glamour Girl", who flew out for the occasion, was also present.

There were a few regrets. It seems one of them was that of that once popular and brilliant actress who was only a runner-up as she didn't have quite enough talent. This was a woman who was as she is studying opera in Italy. Mary Pickford (who I don't think I ever met) was it is really keeping her busy. She even had to borrow one of her teeth for a role that was too small. Do you remember Ray Chandler, the Senator who was President of the United States? Governor of Texas. Her most important honor was to be the first woman to be elected to the office.

The main course for the meal was fantastic. It was prepared by a local chef in Pleasanton. It was prepared by a local chef in Pleasanton.

Hollywood film star Thomas Harrison, who was in the audience, saw Blayne Camp appeared at the reunion with a lady and he wanted to find out who she was.

Francis Linnell has apparently made scores of copies from Maloney's Flower Show in Pleasanton. He had champagne so that a toast could be made to the occasion. Arnold, Ben Wilson, and Jimmie Hovey.

Maxine Foster and Burton Cox were the only two who had the opportunity to discuss their work.

The event was terminated with a dance with the "worst" boys in the school.

This concludes the procedure of the sensor nodes. The sensor nodes will remain with its power.
